Welcoming Address

Pastor Ock Soo Park

During the IYF World Camps held in all corners of the world, the Lord had allowed our Christian Leaders' Forums. We were privileged to meet native pastors and were immensely joyful and grateful as we shared the Word as well as our faith.

Today, many pastors are leading their ministry, yet there are a lot of times when they meet hardships because they do not know precisely about self-denial and the spiritual life where only God works. If just a few aspects of spiritual life are organized, God will work strongly in us. In that sense, precise knowledge and teaching of these aspects are extremely important.

In the special grace of our Lord, our very first 'World Christian Leaders' Workshop' in July will gather all of the pastors, ministers, and Christian leaders whom we have met in many parts of the world and whom have a love for true spiritual life. As we share our spiritual lives and our hearts, this will become a new chapter of the gospel as we cooperate together to preach the gospel to the ends of the earth. I do not doubt even the slightest bit that the Lord is the most happy with this workshop and that He will bless it greatly.

To all the pastors who shared the grace of God in all the corners of the world! I truly hope that we can meet again in Korea to immerse ourselves in the deep and wide realm of our Lord and cooperate in evangelizing the world. Welcome!

Opening Address

Pastor Young Jun Park

Executive Director,
2014 WCLW

"But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." (Acts 1:8)

The gospel, which the Lord commanded the disciples to preach, is the light of life for mankind. Satan, who has the power of sin and death in his hands, is using all his might to stop this light from shining.

However, the gospel was not put to an end, but was continuously preached to produce amazing works of life through the servants God had established such as Luther, Calvin, Wesley, Whitefield, Spurgeon, and Moody.

In this last generation, the Good News Mission Church has kept the truth of the gospel by the grace of our Lord and it will open the very first 'World Christian Leaders' Workshop' for the evangelization of the world.

Through this workshop, the Lord will fulfill your yearning for the gospel to be spread to the ends of the earth this coming July 6th at the world-famous venue; BEXCO, Busan, Korea.

We invite all pastors and ministers who desire to realize true spiritual life that is based on self-denial along with solely the work of the Holy Spirit, and we invite those who yearn to take part in the evangelization of the world to this precious and blessed conference.

"Before I was born again, nothing had been accomplished. But after I received the forgiveness of sin by the grace of God, I have never failed even once." (Pastor Ock Soo Park)

Pastor Ock Soo Park was born in 1944. By the Grace of God he received the forgiveness of sin and was born again in 1962. After this, he received training for faith through the efforts of Missionary Kays Glass, the first missionary dispatched from the WEC mission of the UK to Korea, and other evangelical missionaries who established a missionary school in which Pastor Park was one of the first graduates. Since then, for the past 50 years Pastor Park has lived his life only for the Gospel. He founded Good News Mission, an independent Baptist denomination, in 1971 through the guidance of God. Since then, Pastor Park has trained missionaries and set up churches all over the world. Now the Gospel is being spread to many people through 760 churches established in 80 countries.

Pastor Park has written not only 'The Secret of Forgiveness of Sin and Being Born Again' of which more than a million copies were sold nationally and internationally, but also many spiritual books that have changed the lives of many people. He has especially given sermons about the law of faith hidden within the book of Genesis in his Genesis Lectures, through both TV and radio broadcasting worldwide. His featured sermons were printed weekly in the LA Times (2005) and the NY Times (2006), both of which have moved many Americans back to the Lord.

In 2001, he established the International Youth Fellowship (IYF) in order to lead the youth of the world as future leaders. Now, IYF has grown into the biggest youth organization in the world. These activities including the IYF World Camp, Good News Corps Overseas Volunteer Program, Good News Medical Volunteers, and more are giving practical help to people around the world and are raising a new trend when it comes to leading the youth.

Also, Pastor Park is preaching the Gospel all over the world by training Christian leaders for the next generation through Mahanaim Bible College and Mahanaim Cyber College. Currently, he is the main pastor at the Good News Gangnam Church.
